

DISTINCTIVE DESIGN IDEAS

Aesthetics and accommodation for superior restrooms

BUILDING VALUE SINCE 1906

DESIGN EXCELLENCE. THROUGHOUT THE RESTROOM.

Aesthetics & Accommodation

Restroom expectations are evolving. Are you responding with distinctive solutions? Bobrick is proud to offer a range of thoughtfully designed amenities to satisfy the various considerations your projects require, anywhere in the restroom.

AESTHETICS

Design standards are changing. Boilerplate restrooms are often no longer sufficient. Surpass typical aesthetics with distinctive products.

ACCOMMODATION

Society is evolving. In the restroom, it's about more than just function—are you ensuring that all patrons feel welcome and accommodated?

B-635 KLUTCH MOBILE DEVICE HOLDER

A UNIQUE SOLUTION FOR MODERN TRENDS

Keep Mobile Devices Safe & Secure

Studies suggest that up to 75 percent of Americans use their phones in the restroom. To meet the challenges of the modern restroom without compromising aesthetics, Bobrick's new, patented B-635 Klutch Mobile Device Holder keeps phones and mobile devices safe and secure. Patented.

Features & Benefits

- **Convenient Design:** Sleek, compact design "Klutches" mobile devices for safety and fits with any décor. ADA compliant, requiring no grasping or twisting to use.
- **Practical & Versatile:** Easily installed in toilet compartments, common spaces or private areas where storage is desired. Integrated bag hook holds up to 300 lbs and can accommodate multiple items.

Energy-efficient operation with 50,000 hours of estimated life

Improved illumination and reduced shadowing with integrated dimming option

B-167 & B-169 SERIES LED MIRRORS

Reflect Quality, Value & Style

Bobrick's LED Mirror Collection combines high quality LEDs with commercial grade mirror construction to provide a product that reflects quality, value and style.

Features & Benefits

- **Environmentally Friendly:** Energy-efficient, with 50,000 hours of estimated life and integrated dimming option.
- **Resilient:** Lead-free silver backing exceeds ISO 9227:2012, 120-hour corrosion testing; mirror and mounting frame are IP44 rated for damp applications.

Standard Sizes:
B-167 2436
B-167 2448
B-167 6642

Vertical or horizontal installation

B-169 Sidelit Series
Standard Sizes:
B-169 2436
B-169-3040

Five distinctive finishes with matching faucets available

Top filling saves labor with oversized fill port designed for economical bulk jug soap

DESIGNER SERIES SOAP DISPENSERS & FAUCETS

Elegant Design. Cost-Saving Operation.

Complete your lavatory design with a soap dispenser that is just as stylish as it is smart. Designer Series Soap Dispensers and matching faucets adapt to your design vision while delivering significant savings. Patented.

Designer Series Finishes

Polished Chrome
Soap Dispenser: B-858
Matching Faucet: B-8878

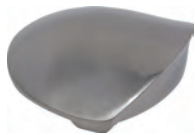

Polished Brass
Soap Dispenser: B-850
Matching Faucet: B-8870

Matte Black
Soap Dispenser: B-852
Matching Faucet: B-8872

Polished Nickel
Soap Dispenser: B-856
Matching Faucet: B-8876

Brushed Nickel
Soap Dispenser: B-855
Matching Faucet: B-8875

Automatic Faucet
Available in matching finishes. Adjustable time-out durations, line purging, adaptable sensor range, LEED flow-rate options.

Features & Benefits

- **No-Touch Operation:** Fiber optic sensor ensures precise dispensing and reduces false activation.
- **Sustainable:** Top-fill with non-proprietary bulk soap for significant cost-in-use savings; portion control dial optimizes consumption.

Polished Brass and Matte Black have minimum quantity requirements and longer lead times. Please contact customer service for more information.

COLOR-ENHANCED TRIMLINESERIES ACCESSORIES

Bobrick Performance You Expect Now in Full Color

Did you know that all Bobrick TrimLineSeries accessories can now be offered in colors? From paper towel dispensers to combination units to toilet compartment accessories, you will get the durability and performance you expect from TrimLineSeries and the vibrant colors you didn't expect. Different processes, such as Light Interference Color (LIC), Plating and Powder Coating, are used to achieve a variety of exotic colored accessories. Contact your local Bobrick representative for details.

Features & Benefits

- **Create a Custom Look:** Select color, finish and texture to match your design theme for a unique experience.
- **Durable Color:** Finishes are just as bright and colorful as paint but more durable and more sustainable, without solvents and volatile organic compounds (VOCs).
- **Wide Product Selection:** Choose from dozens of products to coordinate color and integrated design elements.

THOUGHTFUL ACCOMMODATIONS

B-3725 ADA RECESSED HAND DRYER

No Mess. Low Profile.

It's like it's not even there. The ADA Recessed Hand Dryer features slim, minimalistic design that satisfies ADA requirements—and it prevents water splashing and puddles for a more hygienic restroom. Patented.

Oversized, absorbent drying alcove minimizes water splashing
