BOBRICK

BUILDING VALUE SINCE 1906

Bobrick's Backlit LED Mirror Collection brings high quality LEDs together with commercial grade mirror construction to provide a product that reflects quality, value and style.

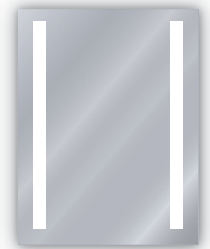

FEATURES:

- 50,000 hours of estimated life
- Improved illumination and reduced shadowing
- Lead free silver backing exceeds ISO 9227:2012, 120 hour corrosion testing
- Mirror and backside mounting frame are IP44 rated for damp applications
- Safety PVC membrane on back prevents small pieces from falling off in the event of a mirror breakage
- Includes hardware required for mounting
- Environmentally suitable and energy efficient
- 3 year warranty
- Integrated dimming option
